Hodgkin’s Lymphoma
Goals and Objectives
December 8, 2014

Lecture participants should:

**Medical Expert:**
- Acquire knowledge pertaining to the epidemiology of select Hodgkin’s Lymphoma
- Acquire knowledge pertaining to risk factors for Hodgkin’s Lymphoma
- Acquire knowledge of the surgical management of Hodgkin’s Lymphoma
- Acquire knowledge regarding the Lymphoma protocol
- Acquire knowledge in formulating a differential diagnosis in the interpretation of Hodgkin’s/Non Hodgkin’s Lymphoma
- Acquire knowledge of the immunohistochemical and molecular testing of select Hodgkin’s Lymphoma
- Acquire knowledge of the staging of Hodgkin’s Lymphoma

**Communicator:**
- Acquire knowledge on the importance of gathering clinical information pertaining to Hodgkin’s Lymphoma
- Acquire knowledge on important information to communicate to the gross room and clinicians when formulating an intraoperative consultation report pertaining to Lymphoma
- Acquire knowledge on how to formulate clear, concise and complete pathologic reports pertaining to Hodgkin’s Lymphoma

**Collaborator:**
- Acquire knowledge of the roles of various team members in the diagnosis and treatment of Hodgkin’s Lymphoma (eg family physicians, hematologists, oncologists, laboratory medicine staff)
- Acquire knowledge on the role of intra and interdepartmental consultations in the pathologic diagnosis of Hodgkin’s Lymphoma
- Acquire knowledge regarding the role of the pathologist in tumour board presentations for Hodgkin’s Lymphoma

Manager:
- Acquire knowledge of the importance of quality assurance and quality control measures for the diagnosis of select Lymphoma lesions including pre-analytical, analytical and post-analytical variables
- Acquire knowledge on understanding the value of proficiency testing of immunohistochemistry used in the diagnosis of select Lymphoma

Health Advocate:
- Acquire knowledge on understanding the impact of a diagnosis of Hodgkin’s Lymphoma on patients
- Acquire knowledge on the importance of turn around time on Lymphoid neoplasms due to the high level of stress experienced by patients with suspected Lymphoma

Professional:
- Acquire knowledge on when to appropriately consult an expert in hematopathology
- Acquire knowledge on the limitations of intraoperative consultations in the diagnosis of Lymphoma

Scholar:
- Acquire knowledge on relevant sources of information (journals, textbooks, web-based resources) for reviewing literature pertaining to Hodgkin’s Lymphoma
- Acquire knowledge on relevant pathology organizations/meetings pertaining to Hodgkin’s Lymphoma
- Acquire knowledge on possible research project ideas in the field of Hodgkin’s Lymphoma
