Academy for Innovation  
in Medical Education

Thank you for your interest in AIME and in innovation and scholarship in medical education. AIME is proud to offer a wide range of programs to assist you in developing a career path in medical education. The following chart briefly describes these programs. More detail can be found on our website at <http://www.med.uottawa.ca/AIME>. While we do offer individual consultation for research projects, we strongly encourage you to acquire some basic knowledge through these programs as a first step. If you would like to have your name added to our electronic mailing list to receive updates on these and other programs, please email [AIME@uOttawa.ca](mailto:AIME@uOttawa.ca).
