APPLICATION

Dear Applicant,

Thank you for your interest in our ATE Fellowship Program. Our ATE Fellowship is focused primarily on providing training in ERCP with exposure to large polypectomy, single-balloon enteroscopy, EUS, and other advanced techniques.

Foreign applicants please follow instructions outlined in the following link: [http://postgrad.med.uottawa.ca/foreign/foreignapplications.aspx](http://postgrad.med.uottawa.ca/foreign/foreignapplications.aspx)

Canadian applicants should provide a CV, Letter of Interest (max 2 pages), and three letters of reference (one from your program director, one from a therapeutic endoscopist, and one other (eg research supervisor)).

Currently, we are accepting one ATE Fellow per academic year, however this may increase to two Fellows per year in the coming years. Applications for the academic year starting July 1\textsuperscript{st} 2014 are due October 1\textsuperscript{st}, 2013. Interviews will be held at the end of October or early November, 2013.

Sincerely,

Dr. Avijit Chatterjee, MDCM MSc FRCPC
Head of the Advanced Therapeutic Endoscopy Program

Dr. Nav Saloojee, MD FRCPC
Program Director, Division of Gastroenterology

Dr. Linda Scully, MD FRCPC
Head of the Division Gastroenterology
