

Dr. Katherine Allen appointed Psychiatry Anglophone Content Expert and Unit III Co-leader

I am pleased to announce that Dr. Katherine Allen has assumed the role of Psychiatry Anglophone Content expert – for psychiatry block of preclerkship (year 2 medical students) and Unit III Co-leader. She brings a tremendous amount of enthusiasm and passion to her new teaching role, and has a keen interest in helping medical students learn more about psychiatry and decreasing the stigma associated with mental health issues. She has won several teaching awards as a resident here before graduating and joining our Department in 2015 at the Montfort hospital.

Please welcome Dr. Allen in her new role.

A handwritten signature in black ink, which appears to read "Elliott Lee".
