Research Skills Series

This interactive small group learning workshop will focus on helping you achieve success with your research endeavours.

At the end of this workshop, the participants will:

1. To understand what really happens at grant review committee meetings.
2. To review what successful grants look like.
3. To learn how to avoid common pitfalls in grant applications.

When: April 16, 2014 at The Royal
Time: 8h30 to 10h00 am
Title: Money talks: the art and science of writing successful grant applications
Presenter: Ian Coleman, PhD
Canada Research Chair in Mental Health Epidemiology
