DEPARTMENT OF SURGERY

Grand Rounds

THE DIVISION OF GENERAL SURGERY Presents

Timothy Jackson MD, MPH, FRCSC, FACS
Associate Professor, University of Toronto

"Using data to provide surgical quality improvement in Ontario - Development of the Ontario Surgical Quality Improvement Network (ON-SQIN)"

Wednesday, April 25, 2018
7:00-8:00am
Civic Campus Amphitheatre
Video conferenced to the General campus, Auditorium

Objectives
1. Provide an update on the implementation of data driven quality improvement programs in Ontario
2. Explore how we can move from outcomes data to improvement in care
3. Highlight how collaboration can accelerate the process

Our Vision: To provide each surgical patient with the world-class care, exceptional service and compassion that we would want for our loved ones.
Notre Vision: Offrir à chaque patient en chirurgie des soins de calibre mondial et des services exceptionnels avec une compassion digne des personnes qui nous sont chères.
